Re: Weppons, Ravens Road, Shoreham-By-Sea ADC/0318/08

On Tuesday 10th November, 2009 we started work on the Beech tree at the above address. Unfortunately my staff started work on the wrong tree despite me giving a clear explanation as to which tree to work on, stating that only the Beech tree on the left hand side had permission to carry out a 10% crown thin. By the time I arrived on site the work was completed on the wrong tree.

As the error was made by my staff I take full responsibility for what has happened. I have run my company for 11 years and have completed applications for tree works for several local authorities and have always taken pride in delivering an excellent standard of work. This error has never happened before and I do offer my sincere apologies.

The works to the Beech tree that has planning permission will commence on the 23rd November, 2009.

If there are any queries or concerns please do not hesitate to call.

Yours sincerely
