PLANNING SERVICES

[redacted]

Ref AWDM/0668/18.

I object to the position of the said structure on 1 No Goore Lane being on the boundary. I understand the depth of the structure means it should be 2 meters off the boundary, said to me by your enforcement officer. If this is the policy of Planning I would like to see you now stand

PTO

(2).

to enforce the rules there is no fire risk to this structure.

I have had this 2 m placed on me if I try to go ahead develop my back garden.

But no such rules have applied to the 17 years Development No 5. No Planning what so ever

By you or the Housing Deptment Very Odd

Yours Faith [redacted]
