Comments Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Reasons for comment:
- Privacy Light and Noise
- Trees and Landscaping

Comments: We note that an amended plan has been submitted dated 19th July 17. We were only made aware of this today 25th August via the automated tracking on the planning website.

The amended plan appears to show two new dormers on the south elevation. Our objections remain as per our previous comments particularly as the builders have already removed the tree which we also objected too.

The builders have already replaced/restored the one pre existing dormer on the south elevation, this is acceptable as it is just restoring what was already existing prior to redevelopment. However the proposal for an additional dormer on the south elevation is unacceptable. For detailed reasons we refer you to our previous objections.

yours sincerely
Richard Jones Vanessa Parkinson
