

The designer is to be immediately notified of any suspect omissions or discrepancies.

Windows W4 (3no.) and W11 to be replaced.

All other windows and doors to be retained. Paintwork to be stripped and timber sanded back to create a key. Rotten areas to be carefully cut out and new softwood replacement "patches" to be fitted to match existing, or holes to be filled with flexible filler to allow for expansion and contraction. Woodwork to be finished with 1no. coat of primer, 1no. coat of white undercoat, 2no. coats of white gloss.
