This application has been dealt with in accordance with the Development Control Scheme protocol for small scale proposals.

WSCC in its role as Local Highway Authority (LHA) has been consulted on highway matters by the Local Planning Authority (LPA) for the proposed approval of details reserved by Condition 9 of approved application AWDM/2136/20.

Condition 9 – Construction Management Plan

"No development shall take place, including any works of demolition, until a Construction Management Plan has been submitted to and approved in writing by the Local Planning Authority. Thereafter the approved Plan shall be implemented and adhered to throughout the entire construction period. The Plan shall provide details as appropriate, but not necessarily be restricted to the following matters:

- the anticipated number, frequency and types of vehicles used during construction,*
- the method of access and routing of vehicles during construction,*
- HGV construction traffic routings shall be designed to minimise journey distance through the Councils Air Quality Management Areas (AQMA's),*
- the parking of vehicles by site operatives and visitors,*
- the loading and unloading of plant, materials and waste,*
- the storage of plant and materials used in construction of the development,*
- the erection and maintenance of security hoarding,*
- a commitment to no burning on site,*
- the provision of wheel washing facilities and other works required to mitigate the impact of construction upon the public highway (including the provision of temporary Traffic Regulation Orders),*
- methods to control dust from the site,*
- a commitment to following BS5228:Code of Practice for noise and vibration control on construction and open sites,*
- details of public and neighbour engagement both prior to and during construction works."*

The applicant has submitted a Construction Management Plan (CMP) prepared by KSD Ltd. Having reviewed the submitted CMP, the LHA are satisfied with the details provided in regards to Condition 9.
