Details of the pre-application advice received

Phone call to discuss desire to submit under a Prior App as all proposals meet that of PD rights albeit with a question over materials. Previously it was to be proposed to use a white coloured render 'similar in appearance' to the white painted brick but reassurance that the application wouldn't be thrown out was not able to be provided. Therefore, app now submitted under Householder with longevity considered against maintenance by showing exposed brick.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:
(a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?
