Dear Sir/Madam
It has come to my attention that number
36 Eastbank
southwick
Brighton

has put in planning permission for an extension onto there flat roof, I understand that as my garden is not attached to there's I was not notified, I live at number
48 Highdown
I have lived most of my life up here and the reasons I love it is because of the downs and the views. At the moment I can see the ocean from my downstairs windows if this planning goes ahead all my view will be blocked out and I will be looking at the side of a wall. I do hope that these planes do not go ahead and I can carry on looking at that view. I really don't like the idea of see another wall.
Ms T. Roser
