Comments

I live directly opposite McDonalds, and was not against the orginal application for the site. In recent times the noise has however got worse cars are meeting in the car park and horn's are continuously being used ✱. I do not feel that there is a valid reason for the extension of hours, and that the noise would only get worse. I have two children under 6 and the noise can be quite loud in there bedrooms. Car horns are the worst problem, but shouting and bad language is also an issue.
A secondary concern is the rubbish and wheller their will be enough staff to control it. (✱)

Unless you indicate below you will not be allowed to speak at the Committee meeting:-

I wish to speak on the application at the Committee meeting – ~~YES~~ / (NO)
