Re: Variation of condition 13 of SU/269/01 to enable opening 5am-12 midnight Sunday-Thursday and 5am-2am Friday-Saturday. McDonalds, Eastern Avenue, Shoreham-by-Sea, West Sussex

I write further to your memorandum dated the 11th June 2009.

There is a potential for the premises to become a focal point for people leaving pubs and clubs late at night, which in turn may cause disturbance to neighbouring residential property, especially after midnight when the general background noise in the area has subsided. For this reason if members do decide to extend the operating hours then I would recommend that they consider granting a temporary permission up to midnight, 7 days a week, for a year, so that any impact from late night customers can be assessed.
