WORTHING BOROUGH COUNCIL, under the above Act and Order, gives you notice that its decision upon your application described above and in Drawing Nos. 92609/1-2, which accompanied the application, or as subsequently amended prior to consideration, is to

REFUSE ADVERTISEMENT CONSENT for the reason(s) that:-

1. The trough light for the fascia sign, and the projecting box sign at first floor level (already installed), by reason of their unsympathetic design and siting in relation to the historic and architectural features of Nos. 16/18 Montague Street (which form a pair of similarly designed buildings), and due to their excessive projection from the building and their discordant appearance within the street scene, are detrimental to, and do not preserve or enhance, the character and appearance of this 'Local Interest' building and the South Street Conservation Area in which it is situated. As such, the retention of the fascia sign within this form of external illumination, and the retention of the projecting sign, is contrary to saved Policy CH4 of the West Sussex Structure Plan 2001-2016 and saved Policy BE1 of the Worthing Local Plan 2003.
