Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Design
Comments:	Certain single plots along Old Fort Road have been over developed but many have been done that have enhanced the street scene and help bring this street into the modern age with properties that are fit to live in. This is one of these developments which will add positively to OFR, and it receives my full support.
