Details of the pre-application advice received

The application AWDM/0527/22 was withdrawn due to the planning officers (Hannah Barker's) concerns. Following her initial advice, a pre-application discussion document was produced which presented evidence to defend the current proposal's design as well as suggesting an alternative design that we felt went a long way to mitigate the concerns raised by the planning officer. The current proposal reduces the width of both the front and rear dormers with altered window positions to suit, omits the pitched roof over the garage and replaces with a flat roof and omits the first floor rear terrace over the kitchen and replacing with a flat roof.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:
(a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

◯ Yes
⊘ No
