Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Privacy Light and Noise
Comments:	Unfortunately our reasons for objecting to the planning permission for no 68 Slonk Hill Road are as follows. 1. Height of proposed plan will block any natural light. 2. Noise. 3. Decrease in property value. With the properties being so close approximately 2 metres we are concerned about loss of natural light being blocked out to our kitchen and lounge due to the height of proposed plans and this even being considered and privacy issues. Also more noise as being so close we can sometimes hear TV/ video games being played

so we tend not to open our windows on that side.
Many years ago we enquired about having an extra bedroom in the roof and was told this was not possible due to pitch of roof and not in keeping with the other bungalows.
We are also concerned about devaluation of our property if we wanted to sell.

Kind regards
