3 Proposed Elevation - North
Scale: 1:100

Projected Sign - 1

50x50x3mm SHS mild steel arm welded to 8mm mild steel plate with 5mm fret cut scroll work welded to arm and three pairs of 8mm mild steel lugs are welded to the SHS arm.
Sign has a 50.8x50.8x3.2mm ali outer frame (rolled at the bottom) welded around a 5mm ali central panel - all finished black.
Three 8mm ali lugs are welded to the topside for M8 nyloc nut and bolt fixings.
Separate folded and welded 2mm ali panels are fixed over studs in the SHS and angles which are nyloc nut and bolt fixed through the 5mm ali centre.
Flat cut 3mm ali letters are stud fixed to the panels with the top panel having white letters and the bottom panel having Ardenbrite Grenn Gold N° 3.
Smaller letters on the bottom panel are 2mm ali bonded to the panel face.
Digtial vinyl print applied to the centre of the 5mm ali.
External illumination from troughs, 1.2mm des st/st with snap fit diffusers and warm white LEDs.
Three 20x20mm SHS mild steel arms - all finished satin black.

4 Proposed Flag Sign

All Dimensions In Millimeters Unless Otherwise Stated.

A. It shall be the contractors responsibility to verify all dimensions, details, and job site conditions prior to proceeding with the work. Report any discrepancies to the main contractor in writing prior to proceeding with any work.

B. In all cases where conflict may occur, as between items on plans, drawings and specifications or notes and specific details, or for any omissions, Simple Simon Design shall be notified to interpret the intent of the documents and drawings prior to proceeding with any work.

C. If due to the nature or method of construction, details as shown on drawings or specified cannot be staisfactorily achieved, the fabricator shall immediately advise Simple Simon Design and recommend a modification that is considered necessary for the proper execution of the work; this request shall be made in writing before any material is ordered of fabricated. Any unsatisfactory work that develops during fabrication or installation shall be corrected at the fabricators expense.

D. Fabricator to provide shop drawings for approval prior to proceeding with production.

E. In no event should working dimensions be scaled from plans or details.
