West Sussex County Council - Planning Consultation Response

To: Adur & Worthing Councils

Date:19 November 2026

FAO: Peter Barnett

From: WSCC - Highways Authority

LPA Reference: AWDM/1314/26

Location: Former Sussex

Wharf

Harbour Way

Shoreham-by-sea

West Sussex

Proposal: Application to vary condition 2 (Approved plans) of Application Reference Number: SU/56/03/TP/20430 to improve parking facilities (number of spaces) to assist emergency vehicle access (retrospective). Spaces realigned from parallel to perpendicular orientation and increase in number of spaces

Date of Site Visit: N/A

Recommendation: No Objection

The application proposes the creation of 15 additional parking spaces along Sussex Wharf and Britaninia Avenue by changing the existing parallel spaces to a perpendicular orientation.

Spaces are to be provided at 2.4m x 4.8m and sufficient space is provided to enable a vehicle to enter and exit the spaces and allow vehicles to pass behind the spaces, given the low speed and flow environment no concerns are raised.
