Dear Sir/Madam

Please find enclosed revised drawings for 159 Tower Road, Lancing.
Planning permission was granted last year, but works not commenced.

The revisions involve a minor window amendment and changing the roof to a flat-roof construction.
I understand my client has informally approached the planning department with regard to these revisions and we would now like you to confirm acceptance in writing if the scheme is satisfactory to you as a minor amendment so that work can begin.
I have also sent copy drawings to Building Control to update their records.
Please do not hesitate to contact me should you require anything further.

Yours sincerely,

[redacted]
