To: Hannah Barker <hannah.barker@adur-worthing.gov.uk>

Dear Hannah

Following amended plans being submitted yet again on 23rd May 2018, I have now reviewed the changes as it seems they have done little to alter my major objections, namely the depth (North south) of the proposed house on the east side being increased from 8 to 13m and the resultant loss of light caused by the two storey wall proposed to be built in from of our living room window, I continue to object and attach my letter of objection for you to post on the portal.

Kind regards

Peter Jarman
