Peter,

We are in full support of their changes. Do you need me to send this message through the portal or will this email suffice?

Thanks,

Meg

Dear Mrs Taylor

We have received amended plans for the proposed extension at 67 The Green which are attached to this email for convenience.

The extension has been reduced in size and glazed doors have been added to the north elevation facing your side window.

If you wish to make further comments on the application and the latest plans, please ensure I receive them by Wednesday 29 January at the latest.
