Dear Sirs,

20th March 2013

Re; -Extension at Alterations at 98 Old Fort Road Shoreham By Sea

Plan Number ADC/0502/10

With reference to the above Planning application, I enclose for your consideration my application for approval of the Planning Conditions:

Condition 2

Materials will be;

External Walls: Weber.pral Monocouche through colour render (chalk) installed by a specialist company. (see www.netweber.co.uk)

Flat Roof: Single ply Thermoplastic roof system coloured grey installed by specialist contractors

Windows: Smart 55 system powder coated, Grey RAL 7002 (see www.smartsystems.co.uk), brochure attached.

Doors : Air-lux sliding doors powder coated , Grey RAL 7002 (see www.air-lux.ch)

Lanterns ; Smart 55 system powder coated , Grey RAL 7002 section profiles to match windows.

Condition 3

Materials will be;

Privacy screens to balcony and side facing windows; 1.8 m high made up of vertical fins of opaque glass set at an angle to prevent overlooking all within a nominal 50mm stainless steel frame.

If you require any further information or clarification, please do not hesitate to contact.

Yours faithfully

[redacted]
