Reasons for comment: - Privacy Light and Noise

Comments: I feel that I have to object to the proposed extension to number 23 Greenacres. The reason for my objection is that it would completely overlook our rear garden, resulting in a loss of our privacy. We have 2 young children that play in our garden throughout the year and would feel uncomfortable being so over-looked. An extension at that height would also look directly into our upstairs rear windows, including my sons bedroom. It would also over-look numbers 25 and 26 impacting on their privacy.
