The Vicarage

Bramble Lane

Durrington

BN13 3JE.

Dear Sirs,

Further to a recent visit to where I was met by the property owner, please find enclosed application form to undertake tree surgery works to trees within a conservation area.

Address:

The Vicarage

Bramble Lane

Durrington

BN13 3JE.

T1,T2 are silver birch trees.

My recommendations (for which I'm seeking consent) and the associated justification are detailed beneath.

Yours sincerely

Jake Davies
Director
RTT Services South Ltd

info@rttservices.co.uk | 01243 583643 | 07947 613035

Proposal & Justification:

T1 – Silver Birch tree, to reduce height by 3m and lateral crown spread by 3m. This tree is located in the rear garden of the property.

Estimated Finished height and width once work is completed – 16m high and 7m wide.

T2 – Silver Birch tree located in the front garden, undertake 3m height reduction and 2m lateral crown spread reduction.

Estimated Finished height and width once work is completed – 12m high and 6m wide.
