Dear Mr Morgan

Re: 1 Browning Road, Lancing

I refer to your letter of the 29th May which I have discussed with my clients. Thank you for confirming that the "squaring off" of the proposed kitchen extension can be treated as a minor amendment to the planning permission.

With regard to the window and door, I would be grateful if you would reconsider your thoughts on this matter. The reason I ask this is that firstly, the window is not as wide as 3 metres and, secondly, it cannot actually be seen either from the house to the south or its garden, unless the people living there were to stand on a ladder against the fence.

I await hearing from you further.

Yours sincerely,

Peter D King
