10th July 2009

Dear Mr Morgan

**Ref Application No. ADC/0477/07 Conditions 1:15**

I refer to our meeting today and I have pleasure in submitting drawings answering the conditions as above.

As discussed I will mark the position of proposed drive entrance over this coming weekend which will be the approx measurement between the brick piers of this opening. I understand from our conversation that I do not need planning permission to put a gate on this entrance as it will be approx 3 metres back from the carriageway 4 metres wide and 1.8 metres high which will slide in one section from left to right viewed from the outside.

If you have any queries regarding these conditions please do not hesitate in contacting me on the above.

As common courtesy I intend to notify all neighbours opposite the new entrance prior to starting the works and every effort will be made to cause least inconvenience to them during the construction of this property.

I enclose a cheque for £85 as requested.

Yours faithfu[redacted]

Mr D Dyson
