Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Privacy Light and Noise
Comments:	I'm worried about how this will affect my natural lighting to my garden as my garden faces the west. I find natural light already reduced I'm worried this will reduce even further. Parking is already over populated very badly in this area. I'm also worried what this means for the current tenant as when speaking with them before they had no knowledge of the extension. In my honest opinion I don't think it will work also with the deliver trucks for the shop behind either. I've spoken before of my concerns when the last order was put in and a council rep came to look around, even they responded with it would work.

Kind regards
