Hello,

Richard Davey [redacted] has sent you an enquiry from the Adur & Worthing Councils website. The page they sent the message from was:

http://www.adur-worthing.gov.uk/planning/applications/view/

Account / Reference number (if supplied):
Postal address (if supplied):
Contact telephone (if supplied):

Their enquiry was:

Hello
I see that planning has finally been refused for 4 Old Shoreham Road, but I am shocked to see that there seems to be a leaning to using the current entrance off the roundabout for 2 properties. This is a blind spot on a relatively fast moving roundabout where crossing for a pedestrian further down going from east to west is dangerous and it seems to read you are willing to let cars pull out blindly to solve a difficult planning issue. Cars on main road would be directly heading in the drivers side of any vehicle trying to pull out, surely this is ridiculous situation to allow. Any accident is so easy to predict that if it occurs any planning official of who agrees to it should be forced to resign for allowing it as it is such a dangerous thing to be allowed. II would welcome your opinion and hope I have misread the planning somehow as I can not believe when all through the years of trying for planning on this site with different proposals the one constant has been this entrance must be closed as it is dangerous
Regards
Richard Davey
