Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Privacy Light and Noise
Comments:	This person is already appealing against the obscure glass, these windows should not open even a little bit, the property is already obtrusive to the small bungalows behind, without further subjecting them from any noise emitting from the rooms via open windows. This changing of the goalposts once things have been approved, even if wrongly in the first place, has to stop.
