Re: 13 The Twitten, Southwick, BN42 4DB
AWDM/1368/24

Dear Sir/Madam

Re the above application, I write to confirm that as the owner of 15 The Twitten, Southwick BN42 4DB, the new owners of number 13 have kept me fully informed of the proposed alterations to their property and I have seen the architects drawings.

I have lived here for 25 years and have absolutely no objections or concerns about the proposed changes, and fully support the application

I was advised that after a site visit by one of your representatives, it was mentioned about 'light' into the rear of my property - I have no concerns - the rear patio doors let in more than adequate daylight along with the large Kitchen window, which I don't believe will change noticeably after the proposed changes.

Regards

Darryl
