Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Reasons for comment:
- Design
- Privacy Light and Noise

Comments: As the proposed development will completely block the natural light to my bathroom and kitchen windows I will be taking legal action against the developers under The Right to Light should the planning application be approved.
A two storey building would also affect my privacy as I'm not currently overlooked by number 75.
I wish to make a formal objection to this proposal and therefore need to be informed by the planning committee before any decision is made.
