Dear Sir or Madam,

I understand that Mr Dixon has submitted another planning application for the plots of land he owns at Goring Gap ref AWDM/0737/26

I am strongly of the opinion that Goring Gap should not be exploited commercially and should remain a green space. There are already food trucks providing refreshments on the roadside for people on the beach and greensward.

I hope that local people's objections are taken into account and the green space is preserved for future generations.

Kind regards Mr R. Iden
