Subject: Ref: AWDM/0737/26 - objection

To: planning@adur-worthing.gov.uk <planning@adur-worthing.gov.uk>

Dear Sirs

I wish to object to the current planning application quoted above.

I live in Goring and travel along Marine Drive most days.

Goring Gap is a beautiful unspoilt area that now looks so tacky and Blackpool-ish with what Mr Dixon has already done, without planning permission, let alone what it could look like with planning permission.

Please do not allow his application to succeed. The parking would be horrendous. It would also encourage more traffic to access the site via residential roads like Sea Lane Ferring and Aldsworth Avenue – both of which already have traffic calming measures.

We need to preserve our open green spaces, Worthing is already overcrowded without suitable infrastructure, parking or access routes in place.

There is already unsightly advertising signage.

Regards

Sandra Herbert
