Subject: Quarterly Maintenance Dates
To:

Dear Glyn

I understand that S&C Slatter have recently handed over your newly completed 3G pitch. We will be carrying out the quarterly maintenance for you, and listed below are provisional dates for your visits:-

26th November 2024

25th February 2025

22nd May 2025

14th August 2025

We ask that you close the pitch for a maximum of 4 hours whilst we carry out the necessary maintenance work. We have two slots per day a 7.30/8 am and a 12.30/1 pm. You will be sent an email 2/3 weeks prior to your appointment as a reminder, and notified of which time slot you have been allocated.

Please can you confirm that you are happy for us to go ahead with the above dates.

Should you need any further information, please do not hesiate to contact me.

Kind regards,

Sarah Mercer
Scheduler & Office Assistant
