Dear Sirs

Ref Adur Tree Preservation Order No 13.53/4/00 (SU)
36 Buckingham Road, Shoreham by Sea

With reference to this planning application to fell a Weeping Willow tree, we would like to register our protest.

The tree does not compromise safety on the highway or footpath. It is pleasing in appearance and adds to the character of the environment.

We think that it enhances the quality of the area where a number of mature trees have recently been felled – and we both hope that it will be spared.

Yours faithfully

[redacted]

M K Grigson
