Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Privacy Light and Noise - Trees and Landscaping
Comments:	Further to my previous comments:- Please note that the photo of the beech tree, in the application documents, has been taken at ground level. The balcony is attached to the first floor of 22 Mill Lane, and the view from there is higher up. The photo does not show how the balcony overlooks my property. The balcony comes out from the kitchen/living area of 22 Mill

Lane, so I am affected by lack of privacy and by noise. When in leaf, the lower branches of the tree afford me some protection.

Kind regards
