Subject: ADC/0323/10 - 10-14 High St

Dear Mr Cording

Further to our recent email correspondence, I have now considered this application in more detail and must advise you that I have some concerns about introducing cladding to 12 and 14 High Street . These properties are presently rendered, as is their neighbour at No.16 and many others in the High Street. To introduce cladding is considered to be in conflict with the general form and character of the High Street.

By contrast, No.10 already has unsympathetic cladding and its replacement with Hardie plank cladding is not considered to result in a significant or harmful visual change.

I must therefore advise you that I am minded to grant permission for No.10 only.

Please contact me if you would like to discuss the matter further.

Regards

Peter Barnett
