Reasons for comment: - Privacy Light and Noise

Comments: We are objecting to the loss of privacy which will be caused by a high balcony on the west side of the property. This will overlook into our upstairs bedroom, downstairs kitchen and back garden. This will cause us huge expense to block out their view into our house using blinds, and we would feel we couldn't use our garden without being overlooked. The blinds would also make our house a lot darker.

Kind regards
