Your reference AWDM/0652/21

We received a letter on 28 th September for a roof extension over existing garage with front dormer,at 16 Thirlmere crescent BN15 9UE,
We totally am against this as they have blocked all my sun light out already with all they buildings,work ,that so cooled garage they have made into a room already.
We live in a bungalow next door there seems to be no end to his building work it’s got to stop.Very un happy about this.
