Hi Peter,

I'm happy with the references to Policy 8 of the Adur Local Plan. However, can I suggest the following:

- Principle section, 3rd line down. For the avoidance of doubt, I would suggesting that the word 'adopted' is added before Adur Local Plan.
- The addition of wording to the effect that the Submission Adur Local Plan has been through the examination process, and has been found sound subject to Main Modifications. I would also add to the text that this gives policy 8 a considerable amount of weight; also that the adoption of the Adur Local Plan is anticipated on 14th December 2017.

Thanks,

Moira
