SECURE CYCLE STORAGE DETAILS – Change of Use From Mixed Use (Retail & Residential) to 2no. Dwellings @ 8 – 10 Gratwicke Road, Worthing, BN11 4BH

In order to discharge Condition 5 of consent AWDM/0479/24, please find below details of the secure cycle storage to be provided in rear yards of each property.

Each property will have 1no. galvanised or powder-coated steel Sheffield wall rail cycle stand fitted to the new boundary wall separating the two properties. Each rail can accommodate 2no. cycles locked to it.

Protection from rain will be provided by a plastic rain shelter canopy fixed to the new boundary fence topping the wall separating the two properties. Each canopy will be 900mm deep and 1900mm long.
