SCHEDULE

Reasons for Granting Permission

01. The proposed development is within the built-up area and would help meet the need for additional housing without detracting from the existing local urban environment. It can take place without resulting in unacceptable detriment to the amenities of neighbouring properties and without detraction from highway safety. It would consequently not conflict with the relevant policies of the Adur District Local Plan (AG1, AH2, AH5).

Conditions

01. The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

    Reason: *To comply with Section 91 of the Town and Country Planning Act 1990.*

02. No development shall take place until details of walls and/or fences have been submitted to and approved in writing by the Local Planning Authority and the building shall not be occupied until such walls and/or fences have been erected.

    Reason: *In the interests of amenity and to comply with policy AH2 of the Adur District Local Plan.*

03. The building shall not be occupied until the parking spaces and access facilities shown on the submitted plans have been provided in accordance with construction details to be submitted to and approved in writing by the Local Planning Authority. The areas of land so provided shall not thereafter be used for any purpose other than access and parking of vehicles incidental to the use of the premises concerned.

    Reason: *To ensure adequate provision for parking clear of the highway.*

04. The use hereby permitted shall not be carried on until space has been laid out within the site in accordance with details to be submitted to and approved in writing by the Local Planning Authority for the turning of vehicles clear of the public highway and such space shall not thereafter be used other than as a turning area.

    Reason: *In the interests of highway safety.*

PTO

05. The access shall not exceed 3 metres in width and shall be laid out to provide visibility splays on each side of its junction with the existing public highway. These splays shall be 2 metres by 2 metres on each side of the access based on the existing highway boundary. No other work shall be carried out on the site until the above mentioned splay areas have been provided and thereafter they shall be kept free from any obstruction to visibility in excess of 0.6 metres above the level of the adjoining carriageway.

Reason: *In the interests of highway safety.*

06. No development shall be carried out unless and until a schedule of materials and finishes to be used for the external walls and roof of the proposed building has been submitted to and approved in writing by the Local Planning Authority.

Reason: *In the interests of visual amenity and to comply with policy AH2 of the Adur District Local Plan.*

07. Notwithstanding the provisions of the Town and Country Planning General Permitted Development Order 1995 as amended (or any order revoking and re-enacting that Order with or without modification), the proposed dwelling shall not be extended or any incidental building (exceeding 10 cubic metres in volume) erected within its curtilage unless permission is granted by the Local Planning Authority on an application in that behalf.

Reason: *In the interests of amenity and the environment and to comply with policy AH2 of the Adur District Local Plan.*

08. The window in the west side elevation of the dwelling hereby permitted shall at all times be glazed with obscured glass and fixed to be permanently non-openable with the exception of a small top-hung opening light details of which shall be submitted to and approved in writing by the Local Planning Authority prior to its installation.

Reason: *To prevent overlooking and to comply with policy AH7 of the Adur District Local Plan.*

09. Notwithstanding the provisions of the Town and Country Planning General Permitted Development Order 1995 as amended (or any Order revoking and re-enacting that Order with or without modification), no windows or other openings (other than as hereby approved) shall be formed in the west side wall of the building without the prior permission of the Local Planning Authority on an application in that behalf.

Reason: *To prevent overlooking and to comply with policy AH2 of the Adur District Local Plan.*
