Dear Pauline & Bruce

Thank you for showing us your plans for a new garage and for discussing the details with us. We confirm that we have no objection to the proposed structure.

We agree to your new garage adjoining ours and to both garages sharing a single valley gutter, with you having the responsibility for keeping it clear.

We also agree that you should have reasonable access from our drive to the short section of your garage which will extend further forward than ours, at agreed times for maintenance purposes.

Yours sincerely,
