Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Privacy Light and Noise
Comments:	Our objection concerns the balcony extension. Currently builders working on the living room roof where the balcony will be situated have a direct view into the rear bedrooms of our property, and so users of the balcony will have the same view. It will also directly overlook a decked area at the end of our rear garden which is used as a seating and BBQ area.
