Dear Eve,

Thank you for the advice below. We will follow up with the information received.

I do however feel that, the fact the fence is still of a height outside of law restrictions that have been set - is still being overlooked here.

Please could you confirm a direct decision on the height of the fence reached by the council?

Kind Regards,
Sadie

Dear Sadie, Kim, & Katie,

Further to your letters of representation regarding the above application, I have discussed the issue you raise in that you believe that the boundary wall with your neighbour is a 'fire escape route' from your property, with the Councils Fire Safety Advisor (Commercial). He advises that if you have fire safety concerns he would suggest that you should contact the Fire Safety Department at West Sussex Fire & Rescue Service. They would likely send an officer round to investigate.

I trust this information is of assistance to you.

Kind regards
