ATTENTION MR JEREMY SERGEANT.

Good Morning Mr Sergeant,

I have been unable to contact you through your office telephone system. (constant answering machine)

I still await your " recommendations to council" regarding the removal of a weeping willow tree at 36 Buckingham Road Shoreham (and the planting of a replacement)

As I am now having difficulty at registering objection on line, and in light of not knowing your recommendation to council. Please accept this Email as a recorded objection to the removal of the tree.

**Please acknowledge receipt of this communications.**

**Yours faithfully**
