Dear members of the council

I am writing a letter to you at a point of view as a 12 year old boy. I know you all work really hard and I appreciate that very much. I'm just asking you to consider not shutting down the roller ring in Shoreham-by-sea and don't feel guilty because I'm sure you would like to keep it as much as I would.

I think it's a affordable facility for the people of Shoreham that brings people together to have some fun and a laugh also it is a great place go in the typical British weather as you will all know.

I'm pretty much sure it won't cost a great deal of money to keep running the reason being is their equipment is quiet basic such as: some lighting, food, some pairs of basic roller skates and a few more things.

Everyone is aware of the finical problems, it's hard to keep everything open but keeping the ring will bring happiness to the people of Shoreham.

Personally I am trying to be grateful to all the hard work you have put into Shoreham but this would be the icing on the cake to keep the fantastic attraction alive.

Thank you for your time

Jay Mistry.

That is me.
