Dear Gary Peck

AWDM/1061/16
49 Boundstone Lane Sompting Lancing West Sussex

Thank you for your letter dated 4 October 2016.

I note the new proposals. They still do not comply with your recommendation for a gap between the boundary and the building of 1.000. In view of the closeness of the neighbours I consider this to be completely unreasonable, firstly because of the loss of light and secondly because the proposals do not comply with your rules that you insist on for other applications.

Yours sincerely
