Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Other
Comments:	This application should be refused on the following grounds: The bulk of the building will be a 3 story square block facing south. This not in keeping with the conventional residential houses in kings walk. This together with the shiny zinc materials will impart an industrial facade The close proximity to number 33 will impact their front door creating a dark environment against a blank wall and also a wind corridor that will be most unpleasant for no 33. In summary: Request refusal On scale, design, inappropriate materials & detrimental affect on neighbour at 33
