Stance: Customer made comments in support of the Planning Application

Reasons for comment: - Highway Access and Parking

Comments: I can see nothing to object to in this proposal, provided that the existing temporary car park [Drumconner] next to the site is returned to its' original condition [shingle beach] and the access to it is closed. This assumes that a new access is provided to the extended house, as seems likely. If such a new access is not provided, I presume the owner or occupant will have use of the existing access, as was previously the case. This would not cause objection from me.
