Dear Gary and colleagues,

Hope you're well. I'm writing to you regarding your recent letter requesting the planning applications for the Chapel of Rest, West Street, Sompting, Lancing (Your Ref: AWDM/0858/21 and AWDM/0859/21).

I have attached two PDF documents explaining my objections. And I have left a paper copy at your Richmond Road offices. (Apologies, I'm having difficulty uploading to your website).

Whilst I'm not opposed to development as such, and the building does need some restoration. I am opposed to this ill-conceived plan for it to be turned into something that will resemble a shed and an eyesore that is not sympathetic to the surrounding buildings or respectful of the history of West Street.

Should you need any further information, or I can help in any way, please don't hesitate to contact me.

Regards,
Paul Waddup
