Comments:	I think the garish coloured " illuminated signage" proposed by Church Street House advertising their "quality dental care" in their windows should not be allowed! It is not inkeeping with this conservation area and inappropriate for Shoreham . Please would the Planning Authority crack down on such illuminated signage applications in Shoreham . We do not want it in this town . The Restaurant La Galleria wanted it , then there were suggestions the Council Offices should have it ! Why do we need these illuminated signs? Please would Adur Council establish guidelines on what is or is not allowed in conservation areas and elsewhere. Do we really want Shoreham high street to be full of neon , brash lights outside pubs, restaurants , dentists, supermarkets , banks etc no we do not! If one company gets them accepted , loads will copy! Please consider this application carefully.
