Description of Proposed Works

Please describe the proposed works

Retrospective permission for an Erection of a lean-to Greenhouse.

I would also like to take this opportunity to apologise to the planning team / committee. I genuinely didn't believe I'd needed planning permission for a greenhouse. From this process I understand that the greenhouse is technically forward of a wall forming the principal elevation of my property As you will see from the application and attached photo's, I believed I wouldn't have needed permission as it is opposite the house not connected, and attached to the side of the existing garage and on land I own, which is not directly connected to the public highway.

This is subject to exemptions, an exemption applies in relation to planning permission for a development which is the subject of a householder application, within the meaning of article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order (2015)*.
